

Fahima A

B.E. CSE Student | Python | IoT | Web & App Development | MySQL | Exploring Emerging Technologies | Data Analyst & Data Scientist Enthusiast

1-2-20j/1, Pudur Street, Sithayankootai, Dindigul, Tamil Nadu • 6369686267 • fahimaa24cs@psnacet.edu.in
LinkedIn: <https://www.linkedin.com/in/fahima-a-587590329/> • GitHub: <https://github.com/fahimaa24cs-bit>

PROFILE

I have a strong interest in web and app development, IoT, and emerging technologies. I enjoy building practical projects that combine technology with real-world applications.

EDUCATION

B.E. Computer Science and Engineering

PSNA College of Engineering and Technology • GPA: 8.43/10 • 09/2024 – Present

HSC (12th)

NSVV Matriculation Higher Secondary School • 84.7%

SSLC (10th)

NSVV Matriculation Higher Secondary School • 84.6%

SKILLS

Programming: Python, SQL, JavaScript

Web: HTML, CSS, JavaScript, Flask, Frontend Development, Web Development

App: Flutter, Mobile App Development

IoT: IoT, Arduino UNO, Arduino IDE, Sensor-Based Systems, ThingSpeak, Python-based IoT Applications

Database: SQL, SQLite

Design: Canva, Figma, Photoshop, PowerPoint, UI Design

Tools: Streamlit (basic familiarity)

CERTIFICATIONS & COURSES

- Python Basics — University of Michigan, Coursera (12/2024)
- Introduction to Python — Sololearn
- Microsoft Excel, Word & PowerPoint — Coursera Project Network
- MongoDB Basics for Students — MongoDB
- Introduction to Figma — Simplilearn SkillUp
- Career Edge – Young Professional — TCS iON
- Data Warehousing & Data Engineering — Snowflake workshop
- Additional Snowflake workshops — Data Warehousing, Data Engineering and Data Science

LEADERSHIP & VOLUNTEERING

Tamil Mandram Club — PSNACET

Club Coordinator & Technical Team. Created AV videos for SIP events, including AV presentations for four chief guests. Designed the annual Magazine for Tamil Mandram.

PROJECTS

Saigai – ISL-based Communication Web Application

Flask web application using real Indian Sign Language dataset data. Supports single-word recognition, webcam input, language selection, voice output and recognition history. Technologies include Python, Flask, HTML, CSS, JavaScript, MediaPipe, OpenCV, NumPy, scikit-learn, SQLite and browser speech/camera APIs. Current prototype shows strong performance on training examples and approximately 60%+ on other videos; sentence recognition is planned.

LabLens Edge – AI-Powered Practical Lab Coach

Browser-based practical learning and assessment workflow with guided projects, webcam recording, exam submissions and instructor review. Technologies: Python, Flask, HTML, CSS, JavaScript, OpenCV, MediaDevices, MediaRecorder, SQLite and ONNX; Snapdragon NPU optimization is a planned target.

IoT Smart Dustbin

Arduino UNO, ultrasonic sensor, servo motor and Arduino IDE.

Soil Moisture Monitoring System

Arduino UNO, soil moisture sensor, ThingSpeak, Arduino IDE and Python.

Temperature & Humidity Monitoring System

Arduino UNO, DHT11, Arduino IDE and Python; local-host access over Wi-Fi from laptop/mobile browser.

AWARDS & ACHIEVEMENTS

- 3rd Prize + 🏆3,000 — Vaigai Ilangyar Ilakkiya Thiruvizha 2025; Paraatu Sandhidai / debate competition
- 1st Prize + 🏆2,500 — Queenathon 8-hour Hackathon, Dhaanish Ahmed Institute of Technology
- 2nd Prize + 🏆5,000 — E-Horizon 2K26, Kongu Engineering College
- 3rd Prize — Paper Presentation, Tamil Mandram Club, PSNACET
- 1st Prize + 🏆1,500 — Design Decode, CSEUTSAV'26, PSNA College of Engineering and Technology
- Selected — Intra-Department Hackathon / SIH 2026

HACKATHONS & TECHNICAL EVENTS

- 360 Degree 3.0 — international-level hackathon participation and second-round participation
- Tamil Nadu Skills — Ideathon 2026 participation
- Electrics — technical event, Thiagarajar College of Engineering
- C-BILDS Chennai — Hack Code & Challenge 3.0 participation

- Infinity Hacks — HackerRank participation

ADDITIONAL RECOGNITION

- Certificate of Appreciation — Tamil Mandram Club Coordinator
- Certificate of Merit — E-Horizon competition
- Vaigai Ilangyar Ilakkiya Thiruvizha 2025 — Paraatu Sandhidai for debate competition
